

## *The Liberty Army* **HELPING THE FUTURE**

Are you a fan of the John Moore Talk Radio Show? Do you know and appreciate the times we live in, and wish you could do more to spread the word of the importance of preparedness? Here's your chance.

J.R. Moore is looking for an Army of people who have the drive, determination and connections to assist in his goal of spreading the word of preparedness to the masses. People who want to get involved and help.

John presents on topics ranging from:

- Terrorism
- Violent Climate Change
- Global Warming Deception
- Rising Sea Levels
- "What the Government Isn't Telling You"
- Corporate, Family and Personal Preparedness
- Safety in Perilous Times

If you are knowledgeable and connected with local, state or regional corporations, associations, VIP's, academia, community and faith based organizations, we invite you to be a part of our team!

All marketing materials are provided. All relations which lead to a booked Professional Consultation or Keynote Presentation by John are compensated.

**National and International Army Welcomed**

John Moore has been in the intelligence sector since 1967, and has been speaking publically on his awareness of Government Intel and corporate, family and personal preparedness for over 30 years.

His daily radio show is listened to by thousands, and he continues his preparedness crusade and wants others to be a part of helping to ensure our successful future.

**HERE IS YOUR CHANGE...  
TO  
HELP THE FUTURE**
